Dear Parents and Carers, Friday 6th December 2019

Re: Parent Governor Vacancy – December 2019

I write to you regarding the recent request for parent governor nominations. At the recent Full Governing Body Meeting a further space became available, so that we now require two parent governors to complete the board.

We have received two nominations for this role during the agreed period.

- Miss Rachel Whitfield
- Ms Sally Lucas

As there are two vacancies and two candidates an election is not required and Miss Whitfield and Ms Lucas are deemed duly elected and will take up their posts on the governing body.

We look forward to their service on the various committees and in the roles of responsibility that they take on. We are grateful for their commitment to this vital aspect of the school's function.

Yours sincerely,

Gillian Powe
