

Bishop Road Primary School

Bishop Road, Bristol BS7 8LS

Head Teacher: Gillian Powe

Deputy Head Teacher: Joe Emissah

Wednesday 5th June 2019

Dear Parents and Carers,

Curriculum Update Term 6 – *Citizens of the world*

During Term 6, classes throughout the school will begin the *Citizens of the World* topic. During this topic, children will take part in a range of activities designed to develop empathy for others, develop appreciation for things in their own lives and recognise what they share with children elsewhere in the world.

One aspect of this topic will be a *Growing in giving* challenge in which the children will be encouraged to engage in an act of giving. This could include: helping a relative, donating something, painting a picture for someone, arranging a litter pick, doing a job for someone or teaching someone a new skill. Class teachers will provide further guidance on this (including safety guidance) and our collective efforts will be celebrated. Teachers will discuss the children's experience with their class although there will be no prizes as this is not intended to be a competition. We will anonymously celebrate the children's contributions on the school website.

To supplement the *Growing in giving* challenge, we would like to invite parents and carers who volunteer or work in the charity sector to come into school to share their experiences with the children. This could be through discussing your role in class or giving an assembly to a year group. We are hugely grateful for contributions of this kind and we will obviously support you however we can if this is something you have not done before.

If you are happy to talk about your charity role in school, please complete the form below and return it as soon as possible.

Yours faithfully,

Mr Grinbergs

FAO: Mr Grinbergs

Name of Child_____Class_____

Name of Parent_____

Charity_____

I am happy to discuss my role with a class ☐

I am happy to give an assembly or workshop about my role ☐
