

Bishop Road Library Bingo

Here are some fun ideas to keep engaging with reading whilst at home.
No need to do them all, just pick the ones to interest you.

Miss Robson can't wait to hear what you've all been reading when
you're back in the library!

Design a bookmark	Organise your own books like in the library! Non-fiction, fiction, comics, picture books...	Read a recipe and then help to make it
Ask your family about their favourite books	Read to someone on video chat (a friend, grandparent, anyone!)	Listen to an audiobook
Read to your toys or your pets	Draw your favourite book character	Write a book review to share when you come back to the library!

TOP TIPS

> Find a list of free literary resources, including links to free audio books, on the Library page on the school website.

> Book review templates are also available on the Library page, these will be put on display when the library reopens.
