

Bishop Road Primary School

Bishop Road, Bristol BS7 8LS

Head Teacher: Gillian Powe

Deputy Head Teacher: Joe Emissah

Monday 31st August 2020

Dear Parents/Carers,

4D- short term staffing change

Over the summer we have appointed some full-time additional teachers, who have worked in our school previously, to teach in classes where needs arise. This enables greater continuity and consistency when staff members are absent for any reason and means that cover for classes is provided by someone who knows the school and is familiar with our approach and expectations. It is difficult to predict the impact of self-isolation in the coming year but this cover arrangement for classes is intended to minimise the impact on children's learning.

Unfortunately, we have been advised this afternoon that Miss Davenport is not able to return to school until Tuesday 8th September.

Miss Patten will be teaching in 4D until Miss Davenport returns next week.

Mr Barr will be supporting the transition and working with Miss Patten to ensure a settled start to the year. He will also visit the class tomorrow to speak to the children and welcome them back.

Miss Patten will also be in contact with Miss Davenport to ensure all of her preparations for the start of term go ahead as planned.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'Joe Emissah'.

Joe Emissah
Deputy Head Teacher
