## PSHE Curriculum Update

Dear Parents and Carers,

At Bishop Road, we are focused on delivering a broad and balanced curriculum. All years groups have a weekly PSHE session (Personal, Social, Health and Economic Education) known as 'Growth and Reflection'. This year, as part of this curriculum subject we have begun using a new scheme of work called 'The Jigsaw Curriculum'. This is designed to enable pupils to gain the skills, knowledge and understanding they need to lead enriched, healthy lives and to become informed, active and responsible citizens.

From September 2020, primary schools in England are required to teach Relationships and Health Education as compulsory subjects and the Department for Education strongly recommends this should also include age-appropriate Sex Education in Key Stage 2. The Jigsaw programme includes lessons on all aspects of PSHE, including Relationships and Sex, and is designed in a sensitive, age-appropriate way that builds on the previous years' learning. Our draft Relationships and Sex Education policy shows how we will be teaching this aspect of the curriculum and has been uploaded on to the policies page of the school website for consultation. Please use the [online web](#) form if you wish to provide any feedback. This consultation form will remain open until Friday 20<sup>th</sup> November.

We will update you about any future developments and will publish the finalised policy on the website in due course.

Yours sincerely,

Miss Turner      Mr Grinbergs  
Yr 5 Teacher      Yr 2 Teacher      PSHE leads
