

# Lockdown Library Bingo

Here are some fun ideas to keep the whole family reading whilst at home. How many can you tick off?

Let your teacher know if you've completed any of them!

Ask someone in your family about their favourite books	Listen to an audiobook	Read a recipe and then help make it	Have a go at Miss Robson's Emoji Book Quiz!
Make a cosy den to read in	Read a book about somewhere you'd like to travel after Lockdown (could be real or imaginary!)	Redesign the cover of your favourite book	Find out a fact about your favourite author
Ask a friend what they're currently reading	Make a costume and dress up like your favourite book character	Read to someone on video chat (a friend, grandparent, anyone!)	Write a review of the last book you read
Read to your toys or pets	Draw the book character that you would most like to meet	Organise your own books like in the Library! Non-fiction, fiction, comics, picture books...	Read a story or an article about someone you find inspiring
