Friday 12<sup>th</sup> February 2021

### Update Letter

Dear Parents and Carers,

I want to thank everyone for their stoicism as we reach the end this half term. The start to 2021 has not been easy and we look forward to more positive news and the prospect of welcoming children back to school as soon as possible.

Teachers continue to upload videos to the weekly videos page in the news and events section of the website, which we hope brings further variety and enjoyment for children. After Mr Barr's hugely popular vegetarian lasagne video, which now has been republished on the website, he has been persuaded to attempt another culinary spectacular which will be uploaded early next term.

#### Online safety

With safer internet day this week, Mr Mann has uploaded a short assembly about e-safety for all children to watch. The Department for Education have an [updated information page](#) to support parents and carers keeping children safe online.

#### Parenting Course

Wider World is running a free online parenting course for parents of primary-aged children in Bristol. It starts on Friday 26<sup>th</sup> Feb and runs for 8 weeks. For more details, please visit the Wider [World website](#) or follow [this link](#) to check for availability.

#### Stolen property

We have some concerning news to announce. The Bishop Road school bell has been stolen. Can you help us? Uncover the clues, eliminate the suspects and help solve the mystery. Download 'The case of the Bishop Road Bell' [here](#), and see if the kids can solve the case this half term. All funds raised go to the PTFA.

The [Bishop Road Reading Round Up](#) is a great place to start if you are looking for something enjoyable and engaging to do over the half term break.

Thank you for your ongoing support.

Yours sincerely,

Joe Emissah

Deputy Head Teacher
