Dear Parents / Carers,

School Meals

From next term, Pabulum, a Hampshire based company, will be taking over the running of the catering in school and their details and contact information can [be found here](#) and on our school website. Whilst we hope this change will, in time, bring about many improvements, a great deal of the existing arrangements will remain in place as Pabulum operate within the current Covid restrictions.

School meals will continue to be served in the usual way (in classrooms) and we will continue to review this as the situation develops.

After Easter, there will be a new menu and parents/carers who wish to change their child's meal pattern can do so using [this link](#) from today until 4pm Friday 26th March.

Existing dietary requirements will be transferred and managed by the catering manager who is remaining with the school. Please contact the school office to discuss any new dietary requirements.

Thank you for your support.

Yours sincerely,

Joe Emissah
Deputy Head Teacher
