Dear Parents / Carers,

Update Letter

As we approach the Easter holidays, we look forward to longer and brighter days and a more secure outlook with the summer term ahead of us. Children, families and staff have all greatly appreciated the four weeks back together in school, which have proven invaluable in re-establishing relationships and routines. The Parents' Evening appointments, held in recent days, have been well attended and we trust these have been a useful opportunity to speak with your child's class teacher prior to the final term of the academic year.

Everyone in school has greatly valued the return to more normal activities with Pirate Day, maths through story lessons and outdoor learning, all featuring as aspects that have been enjoyable and engaging across the school. We were also greatly impressed with the Earth Hour homework contributions that so many children sent in- well done indeed! March the Month of Reading has been a huge success with children very enthusiastic in exploring new genres and finding opportunities to discuss and share books with one another. There were a huge number of entries to the two competitions. Congratulations to the winners and runners up and well done to everyone who took part.

Next term, we will be prioritising greater use of the school field for P.E. as well as outdoor learning for the remaining year groups who have not had this opportunity so far this year. We look forward to seeing everyone back in school on Monday 19th April.

Thank you for your support.

Yours sincerely,

Joe Emissah
