Dear Parents / Carers,

Extra-curricular Clubs

It is with great pleasure that we are able to announce that we are intending to re-start extra-curricular clubs after the October half term. Clubs have been hugely popular over the years and, as always, there are many exciting clubs going on.

A few important things to note about clubs:

- All children in Years 1 to 6 are welcome to a place at one club.
- We ask that you put down first and second choice clubs – we aim to give as many children as possible their first choice, but sometimes clubs are so heavily over-subscribed that we cannot accommodate everyone, even in two or three groups. In this instance, places are allocated by a ballot.
- Most clubs will be split into either two or three groups, with children attending for a block of weeks in the year. How many groups a club is split into will depend on how many children select it as their first choice, so it is not possible to say in advance what the split will be for any specific club.
- If any of the clubs listed do not receive sufficient interest, then they will not run. The small number of children who did choose them will be allocated their second choice.
- Clubs run by Ed Support are entirely separate – information will be sent out by Mr Starkie very soon.

The clubs which are available are listed on the second page of this letter. Please note the year groups which they are each available to and the day on which they will run. If your child would like to attend a club, please fill in [this web form](#) by **Friday 8th October**. After this point, the web form will close and it will not be possible to select a club.

All clubs will run from 3:30 to 4:30pm. Collection at 4:30pm will run differently to how it used to, making use of the open spaces in the playgrounds. Exact details will be confirmed well in advance of clubs commencing.

A further [FAQ sheet](#) is available here which will hopefully answer most questions you may have. I hope that we will see many children back enjoying extra-curricular activities in Term 2 and throughout the year.

Yours sincerely,

Tom Barr
