Dear Parents / Carers,

Update Letter

We have turned the corner from summer to autumn and children are enjoying all that this term brings. Cries of “the Romans are coming!” could be heard around Year 3 on Wednesday as children enjoyed their Romans Day activities. Year 5 & 6 trips to Westonbirt Arboretum have also been a real success with pupils and staff getting suitably muddy and windswept, as they embrace the elements as part of our dendrology project. The Harvest celebrations are also underway and we are welcoming donations in school from Monday.

In the coming weeks, we are excited to resume our inter school sports competitions with the netball and football leagues beginning next week, followed by cross country and sports hall athletics competitions later in the term.

[Information about afterschool clubs](#) was sent out yesterday with a booking link to request a place for your child. Please complete the form by Friday 8th October at the latest, after which you will be contacted to confirm your child’s place.

Next week we will be sending out information about parents’ evening appointments, which will be taking place week commencing 18th October.

Meal Patterns and School Dinner Accounts

The opportunity to change or update your child's meal pattern next term will be provided to you before the end of term. We thank those parents of children taking school dinners, for maintaining a positive £ balance on your child's account. In the event you are due a refund on the school meal account, for example if your child is now bringing packed lunches 5 days each week, please let the office know via the [contact webform](#).

Prospective parent tours

We are now able to confirm school tours for prospective parents for Reception 2022 intake. The tours will take place on Monday 11th and Wednesday 13th October. Please contact the school office to book in advance (903 0483). Please do let any friends and neighbours know.

Reminders

- This academic year the [contact form](#) is the new way to get in touch with school and *has replaced the email addresses*.
- Morning drop off is 8.35 – 8.50 am which is slightly earlier than last year for some year groups. Any children arriving after 8.50 am will be marked as late.
- With the change of season, please make sure your child comes to school with a suitable coat as children will be outside in all weathers.

Thank you for your ongoing support.

Yours sincerely,

Joe Emissah
Deputy Head
