

Bishop Road Primary School

Bishop Road, Bristol BS7 8LS

Head Teacher: Gillian Powe

Deputy Head Teacher: Joe Emissah

25th November 2021

Dear parents/carers,

During the month of November, schools throughout England have been taking part in Anti-Bullying campaigns. This year's theme is One Kind Word which emphasises how small acts of consideration can brighten the lives of those around us. This week at Bishop Road, children across the school have been involved in a range of activities to promote understanding and build a culture of Anti-Bullying in our school. The school council launched our anti bullying week with their own message which was used to support discussions in class. Over the week, all children have discussed the different forms of bullying (verbal, physical, emotional and cyber) and the importance of telling an adult you trust if you witness or are involved in it.

It is important that everyone in our school community understand we take bullying extremely seriously and work hard to ensure the well-being of all those involved. We know that some children may find it hard to talk about bullying so we appreciate the continued help of parents and carers in discussing it and drawing our attention to instances that may occur. As an additional measure, 'worry boxes' are in all the classes so that children can flag problems they feel uncomfortable talking about. In school, children are also reminded that they can talk to other trusted adults as well as their own teacher. For further information, our anti bullying policy can be found on our school website in the key information section. Additional resources can be found at The Anti-Bullying Alliance and the NSPCC website.

Thank you for working with us to support children's awareness and understanding of this important topic.

Yours sincerely, Mr Grinbergs and Miss Walker
