### THE BISHOP ROAD SKIP-A-THON

Dear Parents and Carers,

Every year, as part of our core school value to appreciate and contribute to our world, the children of Bishop Road raise money for two charities: UNICEF and Penny Brohn UK. At Christmas time, this is usually raised through charity collections at each Christmas performance. This year, as our Christmas performances will be virtual, we want to continue the tradition of raising money but this time through a charity 'Skip-a-thon.'

Children have been challenged to continuously skip for 10 minutes. If every child in schools skips for 10 minutes, we will have skipped for over 24 hours as a school! Children will be skipping during PE time using their special school skipping ropes. More information can be found in this short video: [https://youtu.be/zuQqk\\_twcyg](https://youtu.be/zuQqk_twcyg)

Please bring in sponsorship money by Monday 14<sup>th</sup> December in cash or cheque form. Please make cheques payable to Bishop Road Primary School; all funds will be divided equally between our two chosen charities. Thank you for your support. Happy skipping!

Yours sincerely,

Miss Williams & Mr Chamberlin

PE Curriculum Leads
