Creative writing – 30 to 45 minutes

Read the starter provided and then carry on this story in this futuristic city.
Think about what you can see and then what might happen there.

Carla narrowed her eyes and stared at her chosen spot in the corner of the goal. Taking a deep breath, she took three steps forward and swung her left foot at the ball as hard as she could.

_____
_____
_____
_____
_____
_____
_____

Maths – 30 to 45 minutes

We are now using the column method for solving addition sums, and need to be confident adding together 3-digit numbers by the end of Year 3. If you need a little reminder to help you tackle these sums, go to the Year 3 homework page on the school website for an instructional video:

https://www.bishoproad.bristol.sch.uk/post_year_3/home-work/

462 + 880	179 + 828	474 + 631	108 + 807	165 + 363
887 + 948	493 + 837	567 + 387	178 + 814	774 + 890
622 + 155	562 + 235	128 + 307	312 + 725	881 + 363
585 + 160	897 + 110	723 + 374	216 + 830	213 + 958
975 + 256	315 + 500	987 + 227	644 + 357	883 + 438

Spelling – 20 minutes

Find the Year 3 spellings for this week on our class webpage.

Today, we are going to play dicey spellings!

Choose six of your spellings from the list and write them in below

1. _____
2. _____
3. _____
4. _____
5. _____
6. _____

1. Write each letter in a different colour
2. Use your weaker hand
3. Write it with your eyes closed
4. Write it in bubble writing
5. Write it back-to-front
6. Write it in the air with your finger

Roll a dice once to choose the word and once to choose how you will then write the word.

If you don't have a dice, you could write the numbers 1 to 6 on scraps of paper and roll them up or use a virtual dice on a computer or device.

Feel free to make up your own rules to replace the ones here – as long as you are practising the spellings!
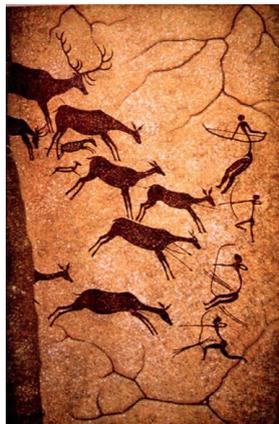

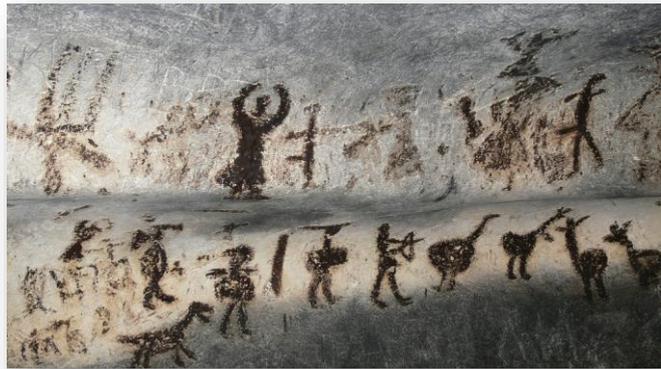

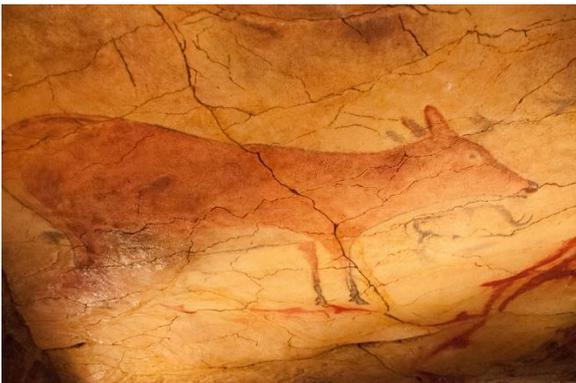

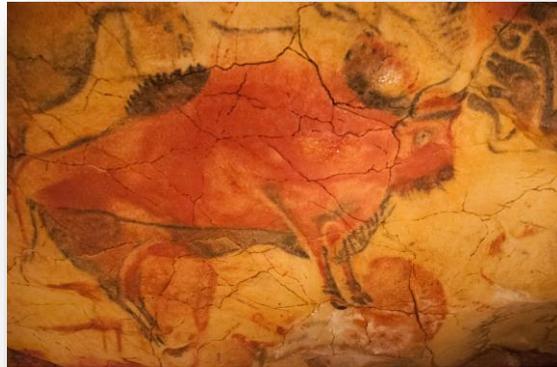

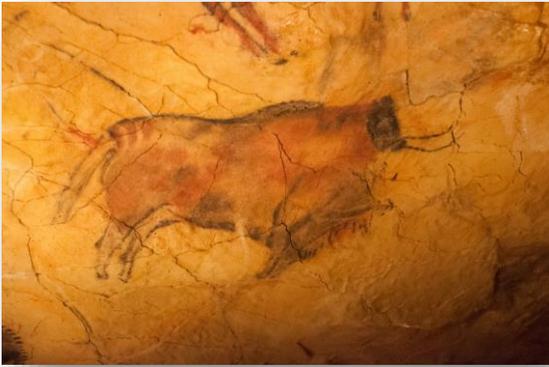

Reading – 30 minutes

Enjoy spending half an hour doing some reading. You could read to yourself or to somebody else, or perhaps a mixture of both!

Try to read a range of different texts through your time at Bishop Road. Some ideas include:

- Stories
- Information texts
- Poems
- Magazines

Our history topic this term is the Stone Age. One of the things left over from this time period, from which historians have learnt a great deal, is cave paintings. These were often of animals, hunters, or hand prints, but could be of a whole range of different things.

Your task is to create your own cave painting. People living in the Stone Age would have used natural minerals which they could find around where they lived, but you can use whatever you like that creates colours such as red, brown, orange or black. Suggestions might include paints, colouring pencils/crayons, soil, tea bags, coffee grinds, food colouring – whatever is available to you.
