

Fly Me to The Moon

Fly me to the moon

Let me play among the stars

Let me see what spring is like

On a-Jupiter and Mars

In other words, hold my hand

In other words, let's fly away. (x2)

Hey Diddle Diddle

Hey diddle diddle, the cat and the fiddle

The cow jumped over the moon

The little dog laughed to see such fun

And the dish ran away with the spoon.

(Verse 2)

Hey diddle diddle, the cat and the fiddle

The cow saw the man in the moon

But did he see the little dog laugh

And the dish dashing off with the spoon?

(Instrumental)

(Verse 3)

Hey diddle diddle, the cat and the fiddle

They danced to the beat of the tune

The dog split his sides as the dish and
his bride

Were chased by the man in the moon, oh
yeah!

Were chased by the man in the moon

I'm Gonna Be an Astronaut

(Verse 1)

I'm gonna be an astronaut

I'm gonna sail in space

Piloting my rocket ship

My oxygen in place.

(Chorus)

My rocket will...

Fizz, flash, rumble and roar

Whizz, whoosh, sizzle and soar

Rolling, rocking, rushing high

Booming, zooming into the sky

(Verse 1)

I'm gonna be an astronaut

Eating my freeze-dried food, YUCK!

Zooming to the moon and back

Just like a spaceman should!

(Chorus)

My rocket will...

Fizz, flash, rumble and roar

Whizz, whoosh, sizzle and soar

Rolling, rocking, rushing high

Booming, zooming into the sky. (x2)

Space Oddity

(Verse 1)

Ground Control to Major Tom

Ground Control to Major Tom

Take your protein pills and put your
helmet on

(Verse 2)

Ground Control to Major Tom

Commencing countdown, engines on

Check ignition, and may God's love be
with you

(Verse 3)

This is Ground Control to Major Tom

You've really made the grade

And the papers want to know whose
shirts you wear

Now it's time to leave the capsule if you
dare

(Verse 4)

This is Major Tom to Ground Control

I'm stepping through the door

And I'm floating in a most peculiar way

And the stars look very different today

(Verse 5)

For here am I sitting in a tin can

Far above the world

(Music fades)

This is Ground Control
to Major.....Tom

One Step on the Moon

(Verse 1)

One step on the moon

Was a giant leap for mankind

One step on the moon

And what did the astronauts find?

(Verse 2)

They found rocks and craters and moon dust

But they didn't find a sign of life

They didn't get to meet the man in the moon

They didn't even meet his wife!

They left their footprints behind on the moon

With the flag of the U.S.A.

And everyone heard the wonderful news

The Eagle's landed today

The Eagle's landed today

(Verse 3)

So they stuck their flag in the moon dust

With a message for all to see

That men from the planet Earth had been
there

In July '69 AD.

They both had fun as they bounced all
around

With the strange lunar gravity

And everyone saw the men on the moon

As proud, as proud as can be

As proud, as proud as can be.

Reach for the Stars

(Verse 1)

When the world, leaves you feeling blue
You can count on me, I will be there for
you

When it seems, all your hopes and dreams
Are a million miles away, I will re-assure
you

(Verse 2)

We've got to all stick together
Good friends, there for each other
Never ever forget that
I've got you and you've got me, so

(Chorus)

Reach for the stars
Climb every mountain higher
Reach for the stars
Follow your heart's desire
Reach for the stars
And when that rainbow's shining over you
That's when your dreams will all come true

(Verse 3)

There's a place waiting just for you (waiting
just for you)
Is a special place where your dreams all
come true
Fly away (fly away) swim the ocean blue
(swim the ocean blue)
Drive that open road, leave the past behind
you

(Verse 4)

Don't stop gotta keep moving
Your hopes, gotta keep building
Never ever forget that
I've got you and you've got me, so

(Chorus)
