Tree Day

Dear Parents and Carers,

Later on this term, on **Monday 16th May**, we will be holding a “Tree Day” to celebrate our whole school topic of Dendrology. Children in each class will spend the day learning about the different features of trees, such as bark, leaf venation, learning how to identify trees and creating some of their own creative pieces based around the theme of trees. As part of the celebrations, children are encouraged to dress up for the occasion in a tree themed costume. Following the success and creativity shown in previous years on “Space Day”, “Weather Day”, “Ocean Day” and “Aviation Day”, it promises to be a fantastic way to celebrate the learning that has taken place across the school over the past term.

Yours sincerely,

Mr Edwards
Assistant Headteacher
