Dear Parents/Carers,

Thursday 7th July 2022

End of Year Reports: Academic Year 2021–22

As the summer holidays are almost here and the end of the academic year is upon us, I have great pleasure in sharing your child's end of year report, which will be available from Class Dojo from 6pm this evening. Access information is [explained here](#) and you can call the school office if you need further support.

I trust you will find the information both informative and interesting. We have constructed the reports to give you the required information whilst seeking to maintain an emphasis on the most positive aspects of your child's learning. If you need any further clarification about your child's report, please approach your child's class teacher. At the end of Year 6, children are assessed in writing, in the form of teacher assessment, and take SATs in reading, maths, spelling and grammar. Results for these assessments will be given to you in a letter separate to this report on **Friday 8th July**.

This academic year has seen a welcome return to the routines and rhythms of school life with a good programme of basics and sustained period of school based learning. We are confident that children will continue to make the appropriate progress as they develop and move into a new school year.

Everyone at Bishop Road is very proud of the achievements of all the children at our school. Thank you for working in partnership with us for the benefit of your child's progress and enjoyment in learning.

Yours sincerely,
