Dear Parents / Carers,

Extra-curricular Clubs

Extra-curricular clubs run by teachers will start at the beginning of Term 2. Clubs have been hugely popular over the years and, as always, there are many exciting clubs going on.

A few important things to note about clubs:

- All children in Years 1 to 6 are welcome to a place at one club.
- We ask that you put down first and second choice clubs – we aim to give as many children as possible their first choice, but sometimes clubs are so heavily over-subscribed that we cannot accommodate everyone, even in two or three groups. In this instance, places are allocated by a ballot.
- Most clubs will be split into either two or three groups, with children attending for a block of weeks in the year. How many groups a club is split into will depend on how many children select it as their first choice, so it is not possible to say in advance what the split will be for any specific club.
- If any of the clubs listed do not receive sufficient interest, then they will not run. The small number of children who did choose them will be allocated their second choice.
- Clubs run by Ed Support are entirely separate – information has been sent out by Mr Starkie and places at Ed Support clubs have no bearing on clubs run by the school.

The clubs which are available are listed on the second page of this letter. Please note the year groups which they are each available to and the day on which they will run. If your child would like to attend a club, please complete [this web form](#) by **Thursday 22nd September**. After this point, the web form will close and it will not be possible to select a club.

All clubs will run from 3:30 to 4:30pm. Collection at 4:30pm will be very similar to the main collection arrangements at the end of the school day, with each club having a specific location in the Grant or Boat playgrounds. Entrance for collection will only be via the black gates on Bishop Road.

A further FAQ sheet is available [here](#) which will hopefully answer most questions you may have. I hope that we will see many children enjoying extra-curricular activities throughout the year.

Yours sincerely,

Tom Barr
