Head Teacher Letter No.4/22-23

Dear Parents and Carers,

We are slowly emerging from the depths of the winter period and signs of spring will hopefully lift our spirits as we start term 4.

The wonderful visits to Slimbridge are under way with the opportunity to think about our ornithology project in every class. Children are always very excited and we are so grateful for all the volunteers who make these occasions possible and exciting for everyone.

As we enter the mid-term break I trust you will have had a helpful time at parents' evenings to understand your child's progress and how you can also support them at home. Teachers are all focused on making learning steps at this mid-point in their year and it's so positive to see the achievements children make. I enclose the date list for the remainder of the year so that you can plan ahead for all the special occasions.

We are sad to be saying goodbye to Miss Coxall who has worked at the school for many years, initially teaching and supporting children and latterly supporting the administrative aspects of school. We wish her the very best in the future.

Last summer we had a fabulous time at the Queen's Jubilee tea parties and I'm pleased to say we are planning the King's Coronation tea parties to celebrate the first coronation for 70 years. I do hope you will come along and enjoy time with your children and each other once more.

The theme of the coronation is helping others and we will be talking this through with the children.

I trust next week will be a positive experience for your families. Please remember Monday 20th February is a staff training day when we will have a visit from Professor Teresa Cremin to inspire us in the encouragement of reading opportunities in classrooms. School re-opens on Tuesday 21st February 2023.

Yours sincerely,

A handwritten signature in black ink that reads "G. Powe".

Gillian Powe
Head Teacher
