Head Teacher Letter No.7/23-24

Dear Parents and Carers,

Thank you all for a year of support and encouragement for your children, the staff and the school. It seems to have passed by very quickly, propelled by the very successful OFSTED in November.

We have enjoyed many events this term and closed with the Year 6 production of Chitty Chitty Bang Bang, which was totally splendid. The year group is moving on to the next stage of their education and we all wish them every success and happiness in secondary school. We bid farewell to a group of families who saw their connections with school span up to 14 or so years, and we send them every goodwill for the future.

The summer is always a rite of passage in schools as everyone goes away in one year group and moves up on their return. We want every child to make the most of all their years in primary and to really enjoy the journey. My thanks go to all the efforts and dedication of the staff who do all they can to make Bishop Road a very special community.

The year six SATs results have been released and we are very pleased with them. The children worked hard with encouragement from dedicated teachers and have made good progress.
