

Year 5 Autumn Term Learning

English:

Our novel in the autumn term will be *Rooftoppers* by Katherine Rundell. We will imagine ourselves high up above the city of Paris as we write in a range of genres: narrative, diaries, descriptions, formal letters and more! We will use the novel to model a range of sentence structures and use of grammatical features such as fronted adverbials and relative clauses and learn how to apply these techniques to in our writing. There are weekly reading comprehension lessons, spelling sessions and we have dedicated time to read for pleasure and to visit the library.

Maths:

Our work in maths will initially focus on securing and extending understanding of place value and ensuring confidence with formal written methods for the four operations. After that, we will learn about multiples, factors, square numbers, cube numbers and prime numbers. Later in the autumn, we will complete a unit of work on fractions. We will end the term with geometry and some of this learning will be Christmas themed.

Topic:

We will be studying the Tudors in the autumn term, with a particular focus on Henry VIII. We will look at the significance of the reigns of both Henry and that of his daughter Elizabeth I. We will also be finding out about properties of materials as our science topic, conducting practical experiments to compare the suitability of different materials for a variety of tasks and investigating which materials make effective electrical conductors. In art, we will be learning about Fauvist artist Chris Ofili and creating some artwork inspired by his paintings. Over the autumn, we will also be learning about the Hindu faith as well as looking in greater depth at the Christmas story in our lessons about Christianity.

Other information:

PE will take place on Thursday afternoons. Children will need to have the correct sports kit in school every week for this session, as PE is a crucial part of the National Curriculum. As the weather turns colder, some warmer clothes would be advisable as PE will usually take place outside.

Children need to bring in their own water bottle from home.

All Year 5 classes will be dismissed at the end of the day from their collection bay in the Silverthorne playground.

Please label all aspects of your child's uniform with their name, including their PE kit, as this makes it much easier to reunite their belongings with them!

How can I help:

Reading with your child is still very important in Year 5. Encourage reading for pleasure as much as possible. Even a few minutes of reading is beneficial, with reading skills being so important across the curriculum. Please encourage your child to complete any homework that they receive. Homework will be given out on Fridays and should aim to be returned by the following Thursday.

English

Writing and poetry is taught through the study of three novels.

Autumn: *Rooftoppers* by Katherine Rundell

Spring: *Alice in Wonderland* by Lewis Carroll

Summer: *Skellig* by David Almond

Weekly extended writing, reading comprehension, grammar, spelling and handwriting lessons throughout the year.

Reading for pleasure — everyday!

Science

Autumn: Properties of materials

Spring: Living things and their habitats

Summer: Space and forces and magnets

History

Autumn: The Tudors

Spring: The Victorians

Summer: Crime and Punishment

Geography

Autumn: Counties and cities in the UK

Spring: Mountains and natural resources

Summer: Field Study

Computing

Autumn: Digital literacy: e-safety

Spring: Computer science: to write a program using variables.

Summer: Information technology: to create a blog.

Physical Education

*Autumn and Spring: invasion games, gymnastics and dance

*Each class rotates around different activities.

Summer: Athletics, racket sports, cricket and rounders

D.T.

Autumn: Textiles: embroidery

Spring: -

Summer: Food and Nutrition

Religious Education

Autumn: Hinduism

Spring: Islam

Summer: Christianity

Music

Autumn: Music of Steve Reich

Spring: Livin' on a prayer: rock music

Summer: The Fresh Prince of Bel Air: rap music

Art

Autumn: Fauvism

Spring: Print

Summer: Still Life

Growth and Reflection

Autumn: Being Me and Celebrating Unity

Spring: Changing Me and Healthy Me

Summer: Relationships and Dreams and Goals

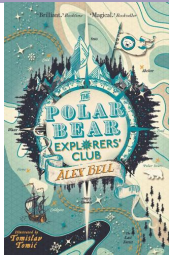

MFL - Spanish

Autumn: Going to the shops and Xmas in Spain.

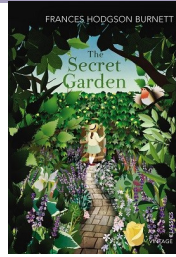

Spring: Sports and hobbies and food and drink.

Summer: The weather and comparing with Spain with the UK.
