Important Information from Bristol City Council

I received notification on Tuesday from the Local Authority that they have decided to consult on reducing our pupil admission number (P.A.N.). From 2026 onwards we will be open to 90 new applications in reception in place of our present 120. Gradually we will be reducing to 3 forms of entry. Importantly this does not effect this year's application round, which will still have 120 places.

The consultation is now open and this is the link to the document.

Please also inform any prospective parents of the consultation since they may well wish to contribute to it. The Christmas period is not the optimum time for this process to take place, but it is important that people are aware of it.

The consultation closes on Friday 31st January 2025.
