

Bishop Road Primary School

Bishop Road, Bristol BS7 8LS

Head Teacher: Joe Emissah

Deputy Head Teacher: Alex Edwards

Friday 27th February 2026

Dear Parents and Carers,

Welcome back to the start of another busy term. It is wonderful to see everyone returning refreshed and there is a tangible sense of expectation in the air as the rising temperatures and longer daylight hours help lift our collective mood. It was a pleasure to see so many families in school for our parents' evenings at the end of last half-term. These opportunities are vital in supporting and strengthening the home-school partnership, which remains the cornerstone of your child's development at Bishop Road.

Hydrology Day

Our recent Hydrology Day was a great success. The staff worked incredibly hard to deliver an inspirational project and I was particularly impressed by the effort families put into the dressing-up day! Thank you to everyone who contributed to making this such a memorable experience. I would also like to extend a special thanks to the parents who offered their professional expertise; we continue to be amazed by the diversity of skills within our community and your willingness to enrich our study projects.

Staff update

Following our recent interview process, I am delighted to announce that Flora Edmonds will be joining our leadership team as School Business Manager from the start of the Summer Term. Having worked in this role across multiple Local Authorities, Flora brings a wealth of experience to this vital position and we look forward to welcoming her in the coming weeks.

Wraparound provision

Following our parent and carer survey earlier this academic year, we have been actively exploring how we can further support families by extending our on-site wraparound provision. Our discussions with BRAC regarding September 2026 place increases have been positive and we look forward to providing a full update by the end of the Spring Term.

Term dates & website update

Please find attached the key diary dates for the Summer Term 2026. These are also available on our website, alongside term dates and INSET information for the 2026–27 academic year. Please note that the 2025–26 dates are now back online following a technical issue—thank you for your patience while we rectified this.

Thank you, as always, for your ongoing support.

Yours sincerely,

Joe Emissah
Head Teacher
